This SECURITIES PURCHASE AGREEMENT (the “*Agreement*”) is dated as of September 5, 2019 by and among NeuroClear Technologies, Inc., a Delaware corporation (the “*Company*”), each of the purchasers identified on the signature pages hereto and such purchasers’ respective successors and assigns (individually, a “*Purchaser*” and collectively, the “*Purchasers*”) and, solely with respect to Section 3.03 and Article IV, BioSig Technologies, Inc. a Delaware corporation (the “*Parent*”).

The parties hereto agree as follows:

**ARTICLE I.
PURCHASE AND SALE OF COMMON STOCK**

Section 1.01 Purchase and Sale of Stock. Upon the following terms and conditions, the Company shall issue and sell at the Closing (as defined below), and the Purchasers, severally and not jointly, agree to purchase at the Closing, an aggregate of up to \$160,000 of shares of the Company’s common stock, par value \$0.001 per share (the “*Common Stock*”), with an aggregate number of shares of Common Stock for each Purchaser equal to that number of shares as is set forth on each such Purchaser’s signature page hereto (collectively, the “*Shares*”), at a price per share equal to \$5.00 (the “*Per Share Purchase Price*,” and such amounts in the aggregate, the “*Purchase Price*”). The Company and the Purchasers are executing and delivering this Agreement in accordance with and in reliance upon the exemption from securities registration afforded by Rule 506 of Regulation D (“*Regulation D*”) as promulgated by the United States Securities and Exchange Commission (the “*Commission*”) under the Securities Act of 1933, as amended (the “*Securities Act*”).

Section 1.02 Closing.

(a) On the closing date (the “*Closing Date*”), upon the terms and subject to the conditions set forth herein, substantially concurrent with the execution and delivery of this Agreement by the parties hereto, the Company agrees to sell at the closing (the “*Closing*”), and each Purchaser, severally and not jointly, agree to purchase at the Closing, the number of Shares set forth on each such Purchaser’s signature page hereto for an aggregate subscription price equal to such number of Shares multiplied by the Per Share Purchase Price (as to each Purchaser, the “*Subscription Amount*”). Each Purchaser purchasing Shares on the Closing Date shall deliver to the Company such Purchaser’s Subscription Amount by wire transfer of immediately available funds in accordance with the Company’s written wire instructions, and the Company shall deliver to each Purchaser its Shares deliverable at the Closing. Notwithstanding anything herein to the contrary, the Closing Date shall occur on or before September 5, 2019; provided, however, that such date may be extended by the Company, without notice, for up to 60-days (the “*Termination Date*”).

(b) If the Closing is not held on or before the Termination Date, the Company shall cause all subscription documents and funds to be returned, without interest or deduction, to each prospective Purchaser. The Company shall also cause any subscription documents or funds received following the Closing to be returned, without interest or deduction, to each applicable prospective Purchaser. Notwithstanding the foregoing, the Company in its sole discretion may elect not to sell to any Person any or all of the Shares requested to be purchased hereunder, provided that the Company causes all corresponding subscription documents and funds received from such Person to be promptly returned.

Section 1.03 Deliveries.

(a) On or prior to the Closing, the Company shall deliver or cause to be delivered to each Purchaser purchasing the shares of Common Stock on the Closing Date each of the following:

Section 1.04 Closing Conditions.

(a) The obligations of the Company hereunder in connection with the Closing are subject to the following conditions being met:

- (i) the accuracy in all material respects on the Closing Date of the representations and warranties of the Purchasers contained herein (unless as of a specific date therein in which case they shall be accurate in all material respects as of such date);
- (ii) all obligations, covenants and agreements of each Purchaser required to be performed at or prior to the Closing Date shall have been performed; and
- (iii) the delivery by each Purchaser of the items set forth in Section 1.03(b) of this Agreement.

(b) The respective obligations of the Purchasers hereunder in connection with the Closing are subject to the following conditions being met:

- (iii) the delivery by the Company of the items set forth in Section 1.03(a) of this Agreement.

**ARTICLE II.
REPRESENTATIONS AND WARRANTIES**

Section 2.01 Representations and Warranties of the Company. The Company hereby represents and warrants to the Purchasers, as of the date hereof, as follows:

(a) Organization, Good Standing and Power. The Company is a corporation duly incorporated, validly existing and in good standing under the laws of the State of Delaware and has the requisite corporate power to own, lease and operate its properties and assets and to conduct its business as it is now being conducted. The Company is duly qualified as a foreign corporation to do business and is in good standing in every jurisdiction in which the nature of the business conducted or property owned by it makes such qualification necessary except for any jurisdiction(s) (alone or in the aggregate) in which the failure to be so qualified will not have material adverse effect on the business, operations, assets, properties, prospects or financial condition of the Company, and/or any condition, circumstance, or situation that would prohibit or otherwise interfere with the ability of the Company to perform any of its obligations under this Agreement in any material respect (each, a "*Material Adverse Effect*").

(b) Authorization: Enforcement. The Company has the requisite corporate power and authority to enter into and perform this Agreement and to issue and sell the Shares in accordance with the terms hereof and otherwise carry out its obligations hereunder. The execution, delivery and performance of this Agreement by the Company and the consummation by it of the transactions contemplated hereby have been duly and validly authorized by all necessary corporate action, and no further consent or authorization of the Company or its Board of Directors or stockholders is required. This Agreement has been duly executed and delivered by the Company. This Agreement constitutes a valid and binding obligation of the Company enforceable against the Company in accordance with its terms, except as such enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium, liquidation, conservatorship, receivership or similar laws relating to, or affecting generally the enforcement of, creditor's rights and remedies or by other equitable principles of general application.

(c) Issuance of Securities. The Shares to be issued at the Closing have been duly authorized by all necessary corporate action and the Shares, when paid for or issued in accordance with the terms hereof, shall be validly issued and outstanding, fully paid and nonassessable.

(d) No Conflicts. The execution, delivery and performance of this Agreement by the Company and the consummation by the Company of the transactions contemplated herein do not and will not (i) conflict with or violate any provision of the Company's Certificate of Incorporation or Bylaws, (ii) conflict with, or constitute a default (or an event which with notice or lapse of time or both would become a default) under, or give to others any rights of termination, amendment, acceleration or cancellation of, any agreement, mortgage, deed of trust, indenture, note, bond, license, lease agreement, instrument or obligation to which the Company is a party or by which it or its properties or assets are bound, (iii) create or impose a lien, mortgage, security interest, charge or encumbrance of any nature on any property of the Company under any agreement or any commitment to which the Company is a party or by which the Company is bound or by which any of its properties or assets are bound or (iv) result in a violation of any federal, state, local or foreign statute, rule, regulation, order, judgment or decree (including federal and state securities laws and regulations) applicable to the Company or by which any property or asset of the Company are bound or affected, except, in all cases other than violations pursuant to clause (i) above, for such conflicts, defaults, terminations, amendments, accelerations, cancellations and violations as would not, individually or in the aggregate, have or reasonably be expected to have a Material Adverse Effect.

Section 2.02 Representations and Warranties of the Purchasers. Each of the Purchasers hereby makes the following representations and warranties to the Company with respect solely to itself and not with respect to any other Purchaser:

(a) Organization and Standing of the Purchasers. If the Purchaser is an entity, such Purchaser is a corporation, limited liability company or partnership duly incorporated or organized, validly existing and in good standing under the laws of the jurisdiction of its incorporation or organization.

(b) Authorization and Power. Each Purchaser has the requisite power and authority to enter into and perform this Agreement and to purchase the Shares being sold to such Purchaser hereunder. This Agreement has been duly authorized, executed and delivered by such Purchaser and constitutes, or shall constitute when executed and delivered, a valid and binding obligation of such Purchaser enforceable against such Purchaser in accordance with the terms thereof, except as such enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium, liquidation, conservatorship, receivership or similar laws relating to, or affecting generally the enforcement of, creditor's rights and remedies or by other equitable principles of general application.

(c) Purchase for Own Account. Each Purchaser is acquiring the Shares solely for its own account and not with a view to or for sale in connection with distribution. Each Purchaser does not have a present intention to sell the Shares, nor a present arrangement (whether or not legally binding) or intention to effect any distribution of the Shares to or through any person or entity. Each Purchaser acknowledges that it is able to bear the financial risks associated with an investment in the Shares and that it has been given full access to such records of the Company and to the officers of the Company and received such information as it has deemed necessary or appropriate to conduct its due diligence investigation and has sufficient knowledge and experience in investing in companies similar to the Company in terms of the Company's stage of development so as to be able to evaluate the risks and merits of its investment in the Company.

(d) Status of Purchasers. Such Purchaser is an "accredited investor" as defined in Rule 501 of Regulation D promulgated under the Securities Act. Such Purchaser is not required to be registered as a broker-dealer under Section 15 of the Exchange Act and such Purchaser is not a broker-dealer.

(e) Opportunities for Additional Information. Each Purchaser acknowledges that such Purchaser has had the opportunity to ask questions of and receive answers from, or obtain additional information from, the executive officers of the Company concerning the financial and other affairs of the Company, and to the extent deemed necessary in light of such Purchaser's personal knowledge of the Company's affairs, such Purchaser has asked such questions and received answers to the full satisfaction of such Purchaser, and such Purchaser desires to invest in the Company. Neither such inquiries nor any other investigation conducted by or on behalf of such Purchaser or its representatives or counsel shall modify, amend or affect such Purchaser's right to rely on the truth, accuracy and completeness of the Company's representations and warranties contained in this Agreement.

(f) No General Solicitation. Each Purchaser acknowledges that the Shares were not offered to such Purchaser by means of any form of general or public solicitation or general advertising, or publicly disseminated advertisements or sales literature, including (i) any advertisement, article, notice or other communication published in any newspaper, magazine, or similar media, or broadcast over television or radio or (ii) any seminar or meeting to which such Purchaser was invited by any of the foregoing means of communications.

(g) Restricted Securities. Such Purchaser understands that the Shares must be held indefinitely unless they are registered under the Securities Act or an exemption from registration is available.

(h) General. Such Purchaser understands that the Shares are being offered and sold in reliance on a transactional exemption from the registration requirement of federal and state securities laws and the Company is relying upon the truth and accuracy of the representations, warranties, agreements, acknowledgments and understandings of such Purchaser set forth herein in order to determine the applicability of such exemptions and the suitability of such Purchaser to acquire the Shares.

**ARTICLE III.
OTHER AGREEMENTS OF THE PARTIES**

Section 3.01 Transfer Restrictions.

(a) The Purchasers covenant that the Shares will only be disposed of pursuant to an effective registration statement under, and in compliance with the requirements of, the Securities Act or pursuant to an available exemption from the registration requirements of the Securities Act, and in compliance with any applicable state securities laws. In connection with any transfer of Shares other than pursuant to an effective registration statement, the Company may require the transferor to provide the Company with an opinion of counsel selected by the transferor, the form and substance of which opinion shall be reasonably satisfactory to the Company, to the effect that such transfer does not require registration under the Securities Act.

(b) The Purchasers agree to the imprinting of the following legend on any certificate evidencing any of the Shares and to the notation of such legend in the stock books of the Company (in addition to any legend required by applicable state securities or "blue sky" laws):

THESE SECURITIES REPRESENTED BY THIS CERTIFICATE (THE "SECURITIES") HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE "SECURITIES ACT") OR ANY STATE SECURITIES LAWS AND MAY NOT BE SOLD, TRANSFERRED OR OTHERWISE DISPOSED OF UNLESS REGISTERED UNDER THE SECURITIES ACT AND UNDER APPLICABLE STATE SECURITIES LAWS OR THE COMPANY SHALL HAVE RECEIVED AN OPINION OF COUNSEL THAT REGISTRATION OF SUCH SECURITIES UNDER THE SECURITIES ACT AND UNDER THE PROVISIONS OF APPLICABLE STATE SECURITIES LAWS IS NOT REQUIRED.

Section 3.02 Integration. The Company shall not sell, offer for sale or solicit offers to buy or otherwise negotiate in respect of any security (as defined in Section 2 of the Securities Act) that would be integrated with the offer or sale of the Shares in a manner that would require the registration under the Securities Act of the sale of the Shares to the Purchasers.

Section 3.03 Exchange Right. To the extent that (i) the Company is not listed on a U.S. national securities exchange by October 31, 2020, or (ii) a Change of Control (as defined below) occurs, whichever is earlier, each Purchaser shall have the right to exchange all or any portion of its Shares into the common stock of the Parent at an exchange ratio of 0.9 shares of the parent common stock for each one Share. Each Purchaser may exercise the foregoing exchange right, at its sole election, by sending a written notice to the Company and the Parent by not later than 3 p.m. local time in New York City, New York on December 31, 2020. Each Purchaser acknowledges and agrees that by requesting to exercise its exchange right, it is deemed to remake the representations, warranties and agreements set forth in Section 2.02 and Section 3.01 with respect to the acquisition of the Parent common stock *mutatis mutandis*. If the aggregate number of shares of Parent common stock issued to a Purchaser results in a fractional share being issuance, such fraction of a share shall be rounded up to the nearest whole number. For the purpose of this Section 3.03, a "**Change of Control**" means (a) any sale, lease or transfer or series of sales, leases or transfers of all or substantially all of the assets of the Company; (b) any sale, transfer or issuance (or series of sales, transfers or issuances) of capital stock by the Company or the holders of Common Stock (or other voting stock of the Company) that results in the inability of the holders of Common Stock (or other voting stock of the Company) immediately prior to such sale, transfer or issuance to designate or elect a majority of the board of directors (or its equivalent) of the Company; or (c) any merger, consolidation, recapitalization or reorganization of the Company with or into another person (whether or not the

Company is the surviving corporation) that results in the inability of the holders of Common Stock (or other voting stock of the Company) immediately prior to such merger, consolidation, recapitalization or reorganization to designate or elect a majority of the board of directors (or its equivalent) of the resulting entity.

**ARTICLE IV.
MISCELLANEOUS**

Section 4.01 Termination. This Agreement may be terminated by any Purchaser, as to such Purchaser's obligations hereunder only and without any effect whatsoever on the obligations between the Company and the other Purchasers, by written notice to the other parties, if the Closing has not been consummated on or before the Termination Date.

Except as otherwise set forth in this Agreement, each party shall pay the fees and expenses of its advisors, counsel, accountants and other experts, if any, and all other expenses, incurred by such party incident to the negotiation, preparation, execution, delivery and performance of this Agreement. Each Party consents to process being served in any such suit, action or proceeding by mailing a copy thereof to such party at the address in effect for notices to it under this Agreement and agrees that such service shall constitute good and sufficient service of process and notice thereof. Nothing in this Section 4.03 shall affect or limit any right to serve process in any other manner permitted by law.

Section 4.04 Entire Agreement; Amendment. This Agreement (including all exhibits and schedules hereto) contains the entire understanding and agreement of the parties with respect to the matters covered hereby and, except as specifically set forth herein, no Party hereto makes any representations, warranty, covenant or undertaking with respect to such matters and they supersede all prior understandings and agreements with respect to said subject matter, all of which are merged herein. No provision of this Agreement may be waived or amended other than by a written instrument signed by the Company, the Parent and the Purchasers Holding a majority of the Shares then outstanding and held by Purchasers. No such amendment shall be effective to the extent that it applies to less than all of the holders of the Shares then outstanding.

Section 4.10 Governing Law. This Agreement shall be governed by and construed in accordance with the internal laws of the State of New York, without giving effect to any of the conflicts of law principles which would result in the application of the substantive law of another jurisdiction. In the event that any signature is delivered by facsimile transmission, such signature shall create a valid binding obligation of the party executing (or on whose behalf such signature is executed) the same with the same force and effect as if such facsimile signature were the original thereof.

Section 4.12 Severability. The provisions of this Agreement are severable and, in the event that any court of competent jurisdiction shall determine that any one or more of the provisions or part of the provisions contained in this Agreement shall, for any reason, be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provision or part of a provision of this Agreement and such provision shall be reformed and construed as if such invalid or illegal or unenforceable provision, or part of such provision, had never been contained herein, so that such provisions would be valid, legal and enforceable to the maximum extent possible.

Section 4.13 Further Assurances. From and after the date of this Agreement, upon the request of any Purchaser or the Company, each of the Company and the Purchasers shall execute and deliver such instrument, documents and other writings as may be reasonably necessary or desirable to confirm and carry out and to effectuate fully the intent and purposes of this Agreement.

Further, the Company shall not make any payments or issue any securities to the Purchasers in amounts which are disproportionate to the respective numbers of outstanding Shares held by any Purchasers at any applicable time. For clarification purposes, this provision constitutes a separate right granted to each Purchaser by the Company and negotiated separately by each Purchaser, and is intended for the Company to treat the Purchasers as a class and shall not in any way be construed as the Purchasers acting in concert or as a group with respect to the purchase, disposition or voting of the Shares or otherwise.

BioSig's Subsidiary NeuroClear Technologies, Inc. Raises \$3.7 million

The Company to develop solutions to advance bioelectronic medicine

Westport, CT, September 5, 2019 -- BioSig Technologies, Inc. (NASDAQ: BSGM), a medical device company developing a proprietary biomedical signal processing platform designed to address an unmet technology need for the electrophysiology (EP) marketplace, today announced that its subsidiary, NeuroClear Technologies, Inc., raised \$3.7 million in an initial seed round.

Founded in November 2018, NeuroClear Technologies, Inc. aims to address some of the biggest challenges in bioelectronic medicine, including, but not limited to, targeted nerve stimulation and a closed feedback loop system to provide appropriate stimulation. NeuroClear intends to build up on the core competencies in recording and analysis of intracardiac, surface ECG and neuronal signals, which have been already validated by BioSig, and develop a dedicated product line to address and/or advance current therapies within a number of markets, such as cognitive disorders and nephrology.

The proceeds of this offering are intended to be used to fund the development of the product candidates, initial pre-clinical studies, development of intellectual property portfolio and for general corporate purposes. In addition, Kenneth L. Londoner, the Chairman and CEO of BioSig, also serves as Chairman and CEO of NeuroClear.

"We are very pleased to begin the work on additional applications, which could advance so many challenging and costly diseases. Through years of research we learned that our biomedical signal processing capabilities can be a key to detecting small, high frequency, low amplitude signals, which are often critical to development and delivery of effective therapies. We are driven by a passion for innovation, and we look forward to applying our knowledge and expertise to new areas of medicine and drive shareholder value by developing new products to address a rapidly growing field of bioelectronics," stated Kenneth L. Londoner, Founder, Chairman and CEO of NeuroClear Technologies, Inc. and BioSig Technologies, Inc.

About BioSig Technologies

BioSig Technologies is a medical technology company developing a proprietary biomedical signal processing platform designed to improve the electrophysiology (EP) marketplace (www.biosig.com). Led by a proven management team and a veteran Board of Directors, BioSig Technologies is preparing to commercialize its PURE EP(tm) System. The technology has been developed to address an unmet need in a large and growing market.

The Company's first product, PURE EP(tm) System is a computerized system intended for acquiring, digitizing, amplifying, filtering, measuring and calculating, displaying, recording and storing of electrocardiographic and intracardiac signals for patients undergoing electrophysiology (EP) procedures in an EP laboratory. The system is indicated for use under the supervision of licensed healthcare practitioners who are responsible for interpreting the data. This novel cardiac signal acquisition and display system is engineered to assist electrophysiologists in clinical decision-making during electrophysiology procedures in patients with abnormal heart rates and rhythms. BioSig's ultimate goal is to deliver technology to improve upon catheter ablation treatments for the prevalent and potentially deadly arrhythmias, Atrial Fibrillation and Ventricular Tachycardia. BioSig has partnered with Minnetronix on technology development and received FDA 510(k) clearance for the PURE EP(tm) System in August 2018.
